1-23-45 ELEANOR, who is staying at the Hotel Penn. N.Y. City and will be there thru
11:00a.m. next week, asked LOU GOLDBLATT how long he will be in Washington? LOU replied that it depends on when he is going to meet with STONE up in N.Y. to discuss Maritime Committee Matters, probably Monday or Tuesday. ELEANOR said that regarding the radio program we had had it transcribe. and that it was turned down by the Blue, NBC and Mutual Networks, in FRISCO on the grounds that it is political, controversial, attacks a member of the govt. and further that they cannot put anything on the air that is membership soliciting. She con't. that ~~SCHNURR~~ (phonetic) sent a wire to P.J. ~~SLOWIE~~, Sec'y of F.C.C. and we can get it on local stations but we want to get it on a national hookup. She said that BLUE had complained to the F.C.C. about it but they had advised that they had no regulations concerning the acceptance of material for a broadcast by a radion station. She requested LOU to contact ~~DECAUX~~ publicity director of the CIO? who had a lot to do with these things, and also to raise h--- with CLIFF ~~DURR~~ and PAUL ~~PORTER~~ at the F.C.C. She said that she would send the record down today and for him to contact JOE ~~SELY~~ who is in Wash. ELEANOR thought that it would be a good idea as LOU had apparently suggested to her in a communication to contact KAY ~~MYER~~. She remarked that it is a complicated situation as KAY's husband was formerly a sec'y to one of the Supreme Court Justices, and is presently with the Dept. of Justice. LOU corrected her saying that he is PHIL ~~GRAHAM~~ now overseas with the army. ELEANOR asked what contacts he was going to make on the case (BRIDGES) before coming up to New York LOU replied that he intended seeing DOWNEY (Calif.) MORSE (Oreg.) and that he may see some others but that he doesn't want to use the BRIDGES case as an entree to them. ELEANOR advised that if KAY MYER'S was not available that DAVID ~~WOLL~~, who formerly held a big job in the Govt. with FEA and who left to work for some furniture manufacturer is a crackerjack operator who had a \$8000 a year job and is in a position to know a lot of people. He would be a right guy to contact. She further advised that WOLL can be reached through ANN ~~SPIEGAL~~, now MRS. HARRY ~~POLLOCK~~ on 17th St. LOU will try to contact all these people.
